Itinerary

DAY 1
Arrive in Geneva, head to Chamonix
We'll pick you up in Geneva and head through the Swiss and French Alps to Chamonix – one of the most iconic mountain towns in the world. Nestled in the heart of a dramatic U-shaped valley, the views of the northern side of Mont Blanc are dramatic from anywhere in town, and especially from our accommodation in the heart of Chamonix. We'll have time to rest up and explore town this afternoon, before meeting later for a welcome dinner.
Hotel Pointe Isabelle, Chamonix (Dinner)

DAY 2
Hike Mer de Glace, Grotto de Glace experience
Today we'll hike just above Chamonix to the Mer de Glace (Sea of Ice). As a warm up for our hike in the coming days, we'll take a train up through the fir trees that flank the north side of the Mont Blanc massif, to Montenvers, overlooking this incredible glacier. From Montenvers we'll hike further up through trees and boulder fields to Le Signal Forbes – a lookout point affording unsurpassed views of the Mer de Glace Glacier and huge granite spires that rise sharply from the moraine walls. On our descent we'll have incredible views of the upper Chamonix Valley and the Aiguilles Rouges Mountains. Before boarding the train back down to Chamonix, we'll take a gondola down to Mer de Glace’s Grotto de Glace (Ice Cave). Every year, a new ice cave is dug into the bowels of the Glacier, enabling us to walk inside the incredible sea of ice! After making our way back down to Chamonix, you'll have this afternoon to relax in town, take in the views and dining highlights, or pick up any last minute items you might need for our hike.

From here we'll hike across the Carlaveyron Plateau overlooking the spectacular Dioz Canyon. The views of the north face of Mont Blanc, the Fiz range and the Chamonix valley are second to none! Later we’ll head back to Annecy town where you’ll have the chance to explore it’s narrow cobbled streets and 16th century gothic architecture. After our visit, we’ll begin our ascent of the “Vallee des Glaciers” (Valley of the Glaciers). Our first destination is the Col de la Seigne – the pass that straddles the border between France and Italy and an amazing place to view the southern side of the Mont Blanc range. As you stand with one foot in France and the other in Italy, you’ll be confronted with astounding views of huge glaciers, massive rock spires and the broad ‘U’ shaped valley down into the Italian countryside. We’ll make our way down the valley, passing through green pastures and alpine streams. Over hundreds of years the local people here have perfected the “l’art de vivre” (the art of living), through exquisite mountain cuisine,
beautiful architecture and fine wine. A day exploring the eateries, art galleries and vineyards of Courmayeur will recharge your culture batteries well and truly! If you’re keen to stay active today, there are plenty of adventurous options available, including hiking, cycling and golf to name just a few. Enjoy!

They look so close, you’ll feel like you can throw a stone and hit the highest peaks – it’s a sight you have to see to believe. After lunch, we’ll drop down into the Val Ferret and green pastures of the Lavachey where we’ll enjoy a classic home cooked Italian/French meal prepared by our local hosts.

Useful Info

No Forced Single Supplement
Most other travel companies charge all solo travellers a single supplement fee. We don't! When it comes to accommodation, our trip fares are based on a twin-share rate, which means we'll match you up with another person of the same gender to share a room with. If there's no one suitable to share with, there's no forced single supplement!

Trip Start
If you arrive on the first day of your trip, an Active Adventures Europe representative will meet you at the Geneva airport (GVA) at 2pm and take you through to your accommodation in Chamonix, France. If you’re already in Chamonix, you’ll meet your trip leader and the rest of your group in the lobby of our joining hotel at 6pm.

Trip End
On the last day of your trip we’ll drop you off at Geneva airport in time for afternoon flights. You can book a flight home departing anytime after 12 noon on this day. If you’re staying on in Chamonix, we’ll be happy to book your extra accommodation. If you’re staying on in Geneva we’ll be happy to drop you off at the Geneva airport, which has regular transfer departures to central Geneva.

Accommodation
The ‘Tour du Mont Blanc’ is an active adventure trip around the Mont Blanc region of the European Alps. We stay in clean and comfortable accommodation all with ensuite bathrooms and amazing views.

Fitness
We’ve designed this trip to be fun, challenging and varied. Our trips aren’t scenic bus trips where you observe from a bus window or stand on a touristy viewing platform to take pretty pictures. We’ll get you into the back country to experience the Mont Blanc region up close so you’ll need a reasonable level of fitness to enjoy yourself. Age and experience are not important, so you don’t need to be young or extremely fit but you should be in the habit of doing some regular exercise. So get out there with a daypack on a short hike from time to time and you’ll be ready to join us.

Transport
You’ll be getting around the Mont Blanc mountain range largely under your own steam on this trip, on foot, in a sea kayak and by bike! Occasionally, we’ll need to get to some areas and our accommodations in a vehicle. We have our own comfortable air-conditioned vans with plenty of room to stretch your legs. The great thing is, you needn’t expect to be spending long periods of time in a vehicle anywhere on this trip - getting around the Mont Blanc region will be largely up to you with your hiking boots on!

You can find details on recommended flights and fitness, as well as trip start and end in the 'specific information' section at the end of each itinerary.

Accommodation:
Rooming is based on two people sharing a room with one or two beds, as you require. If you’re travelling by yourself and would like to be guaranteed your own room for the duration of the trip, a single supplement may be available.

Outdoor Experience:
Our trips allow you to make the most of the back country, whether you’re relatively new to hiking or a seasoned trekker. Our highly trained and experienced trip leaders will be at your side, safely guiding you to magnificent places that you wouldn’t get to on your own. The challenges are there, if you’re looking for them, all we ask is that you be energetic and in reasonable shape and we guarantee you’ll have an incredible time. You don’t need kayaking experience to enjoy paddling out on the water and you don’t need to be a serious cyclist to enjoy most of the rides we do. In fact, we have so many options available that you don’t need to ride or paddle at all if you’d rather hike or just laze around!

We hold all relevant government licenses and permits, and have an impeccable safety record. So with all the research, logistics, safety and hospitality taken care of, you can focus on the most important thing – making the most of your vacation!

Your trip includes just about everything, specifically:

- All guiding services. We have an experienced trip leader with every trip and also have a specialist guide on many of the activities to provide extra local knowledge.
- Comfortable accommodation for the entire period you are with us. We can also organise pre and post-trip accommodation for you if you like.
- Breakfast, lunch and dinner on most days, as indicated, and we cater for all dietary requirements. In some locations, where there are a wide variety of restaurants, we’ve found people prefer to check out the options on their own. Alcohol is not included, although we do spring a few drinks here and there!
- All activities described in the itineraries including hiking, kayaking, biking and via ferrata, except the optional extra activities available at additional cost.
- All transportation from trip start to end.

Not Included:

The trip fare doesn’t include flights before or after your trip. This is your all-inclusive vacation and there are no hidden costs. You’ll have a few meals and drinks to cover, extra activities if you choose them, and you’ll probably feel like tipping your guides at the end of a fabulous trip, though you won’t need to pull out your wallet every few minutes on your Active Adventures trip!

Flexibility:

We’re really flexible and none of our itineraries are written in stone, so if you have a particular interest you’d like to include or you need to leave a trip earlier or join later (at a pro-rated fare), just let us know and we can almost always make it happen. Likewise, all adventure travel requires a certain amount of flexibility and we sometimes have to make minor changes to the accommodation or activities because of weather and availability, but we have plenty of options up our sleeve and the experience to keep your trip running seamlessly.

Itinerary Updates:

We update our itineraries annually, sometimes more often, so please check our website for the most up-to-date itineraries and pricing. We make every effort to ensure itinerary accuracy, though changes may occur without prior notice due to local circumstances.
Beyond Amazing Mont Blanc!
This trip was our second time with Active Adventures. The tour du Mont Blanc is one of the most scenic places on earth to hike. Views were spectaculars in all three countries (France, Switzerland and Italy) visited during the tour. Our guides, Jean-Marc, Karinne and Andy, were all great, available, helpful and making sure all of us were enjoying the activities either hiking, biking or kayaking. In a nut shell, a great trip and wonderful experience.

Claire Barrette-Remy – Ontario, Canada

Most Awesome
Our Tour du Mont Blanc was nothing short of awesome. Challenging hikes, spectacular mountains, wonderful food and fantastic guides.

Lark Dunham – Colorado, United States

Hiking in the Alps
The trip with Active Adventures to the Mount Blanc area was great. The scenery is unbelievable in all three countries. The hikes were all wonderful and yet very demanding. That made the trip even more rewarding for us. We got to do things we never have done before on the off day. Paragliding in Chamonix was a first and fabulous. All of the small towns we travelled to were lovely. The accommodations in these towns were great. Nice small hotels that all were so much a part of those towns. All of the meals were also great. The lunches were just the right amount and much of the local food such as cheese. All of the dinners were very good.
Our tour guides were great. Jean-Marc knows the Mount Blanc area so well. Andy was always available and helpful. Together they made the trip a pleasure.
